# NEW BUSINESS START UP

Many of our services are joined-up to benefit our customers and provide them with a one-stop shop where they can come for all of their business needs. In today's fast-paced life, how much easier is it to outsource all of your needs to one supplier than have to manage multiple relationships and timescales?

We're here to make life simple for new businesses and deliver an exceptional service to them, whether it be designing a logo, installing new signage at their premises, organising a mail-merge and facilitating the print and delivery of that, supplying them with office stationery or new office furniture, or even helping them plan interior layouts for their new office space.

## OFFICE FURNITURE

Whether it's delivering a new desk or pedestal to supplying the Rolls Royce of Boardroom tables, Bridson & Horrox Group enjoys exclusive supplier relationships to ensure your office is equipped with high quality furniture that is not only built to last, but looks exceptional too.
